

OWNSTEAD SYSTEMS

PARTNER PROGRAM

EARN BY INTRODUCING MANUFACTURERS

Know a manufacturer that needs a better ERP?

Refer them to Ownstead and earn **up to \$20,000+ per deal.**

Your contact gets a free consultation and a system they **own**: source code included, fitted to their floor, with old and new running side by side until the numbers agree.

Payouts depend on contract value and your signed Partner Agreement.

LAUNCH BONUS

15%

The first five referred customers to sign pay 15% instead of 10%.
